

# Thank You! You are our Partners in Discovery.

Since 1997, the BC Cancer Foundation has received donations, bequests and other funds totaling \$285 million. This generous support has enabled the BC Cancer Foundation to invest in the BC Cancer Agency and thus help develop one of the world's leading cancer control organizations focused on both care and research. The BC Cancer Foundation is honoured to recognize here those donors who have each made gifts totaling more than \$25,000 over this 14-year period:
